GISS Monthly

January 2025

## A Journey of Learning, A Lifetime of Impact

Welcome to GISS Monthly, your window into the vibrant world of learning at GEMS International School Somabay. This newsletter is designed to keep you informed about the latest happenings, achievements, and exciting initiatives taking place within our school community.

## A Glimpse into the GISS World

GISS offers a dynamic and personalized educational experience that begins with the International Early Years Curriculum (IEYC) and progresses through the International Primary Curriculum (IPC) and International Middle Years Curriculum (IMYC).

This comprehensive journey culminates in an American diploma in line with AERO standards, providing a strong academic foundation for future success. Through inquiry-based curricula and hands-on projects, students will engage in meaningful learning experiences that prepare them for success in the global economy.

## Excellence in Education

We at GISS believe in the power of immersive learning experiences, and our unique outdoor environment plays a key role in this approach. Situated in the heart of Somabay, our school utilizes its stunning natural surroundings to enhance classroom learning in a variety of subjects.

Whether it's conducting hands-on science explorations, engaging in environmental studies, or participating in outdoor art projects, students are encouraged to connect with the world around them. Physical education activities are also integrated into the outdoor spaces, fostering both physical and emotional well-being. This holistic approach not only deepens academic understanding but also supports the development of well-rounded individuals, ready to tackle real-world challenges.

*A journey of learning, a lifetime of impact awaits.*

## What Sets GISS Apart

GISS is part of the prestigious GEMS Education, a global leader in private education, which ensures that GISS benefits from GEMS' expertise and innovative approach. As an Egypt Education Platform (EEP) school, the largest and fast-growing education provider with 25+ assets across Egypt, GISS gains access to cutting-edge facilities, professional development opportunities for educators, comprehensive career guidance, and robust safeguarding measures, empowering students to reach their full potential, paving the way for success in all their future endeavors.
